HELLO! I AM...

a passionate creative embarking on a thrilling journey from social work to graphic design. While my past experiences have been rooted in building connections and delivering exceptional service, my heart has always been drawn to the world of art and design. Now, I'm thrilled to fuse my dedication to excellence with my creative spirit as I transition into the dynamic realm of graphic and web design.

WORK EXPERIENCE

Rapid Response Community Worker
Community Action Council of Howard County
(October '21 – November '23)
